Karo
(REG. U. S. PAT. OFF.)

The
National
Syrup

THERE are thousands of pantries in this country never without a generous supply of Karo. Last year, the housewives of America used over sixty million cans of Karo. If you are one of these you know how popular Karo is with your family; how good it is on cakes, waffles, hot biscuits and bread; how everybody enjoys it. Perhaps you don't know, though, what a valuable aid Karo is in cooking, and what delicious candies are made with it. If this is the case, send your name on a post card for our valuable Corn Products Cook Book. It will be sent to you FREE.

Summer Coal Prices and Vote-Getting

Order your Winter Coal Supply now and get the double advantage of lower prices and 10 Votes for every cent spent.

There are two very important reasons why you should order your coal supply now. FIRST—you get the advantages of our summer prices. SECOND—The Anthracite Bureau, at Wilkesbarre, says that there will be a serious shortage of coal this winter, especially for household purposes, and prices are bound to be unusually high. Therefore, for your own protection, order now and be sure of your supply at reasonable prices.
